Dear fellow members:

Our dear old friend Mr. Robert Seal passed away on Wednesday, August 8th, 2012. He was the dear husband of Delores Seal. Bob is survived by three children, Mary Seal (wife of chuck of Intergem), Bob Ann Seal, and Michael Seal.

Bobby Seal has been a dedicated truck driver helping us and the Intergem shows for the last 19 years. He was quite a jolly fellow and was always taking his responsibility seriously transporting as well as protecting our merchandise.

Bobby had been chronically ill for quite sometimes. A circumstance put his family under a great deal of financial duress. Situation is especially bleak since Bobby passed away. As a fellow friend, colleague, and patron, we plead for your help. If you feel that you can do something or simply just wanted to know more about how to help. Please contact:
